

# THE GOOD STUFF

Compiled by Todd Mrowice

## Sweet Like Honey

The Queen B series from Bettinardi is a staple, and the B6 model is the perfect marriage of blade and mallet. This re-engineered classic is turning heads in an all-new Rose Gold PVD finish with a thinner topline and softened round edges on the toe and heel. A single-bend shaft provides an easier and precise setup at address. The 2021 Queen B lineup offers four models in total.

## The Numbers Don't Lie

Everything is better in a bundle! Arccos Caddie is the uber intelligent AI platform that provides users with shot tracking, a slew of analytics, club averages, a GPS rangefinder, and shot advice on any hole in the world. Arccos Caddie Link allows users to untether from their phones while still obtaining all of these great stats. Arccos users average 4.2 strokes gained in their first year!

## Here's to Whiskey...

In the Bobby Jones Clover Whiskey Collection, great whiskey meets one of the GOATs. These single barrel, straight whiskeys are distilled with excellence and integrity. Much like Jones himself. Available in straight bourbon, straight rye, and Tennessee straight bourbon, these small batches range from 90 to 92 proof and lend themselves to all palettes.

## You Better Lock it Up!

Time to ditch the "popstroke" and lock up those wrists with the new WristLock putter grip from SuperStroke. Engineered to eliminate any unwanted motion in your putting stroke, this handle will get you on the right track for a more consistent and controlled time on the green. Includes SuperStroke patented No Taper Technology for even grip pressure in both hands. Available in green, orange, or black.

## If the Boot Fits...

PUMA's Ignite genre of shoe has become one of the most popular in the game. Their new Fasten8 Disc integrated webbing straps for a secure fit. A Flat-Knit Mesh structure and PVRFrame TPU overlay make this shoe breathable with a one-year waterproof warranty. Also available in a standard lace option and in six colorways.

## One Size Fits None

Did you buy your suit from the rack? Didn't think so. Edel brings truly custom-fit wedges to consumers with the new SMS wedges which feature three interchangeable weights to finely tune to your swing. Available in four grind options and seven lofts, these wedges are carved from Japanese 1025 carbon steel and feature full face grooves for optimum spin.
