

THE GOOD STUFF / DAD'S DAY GIFT GUIDE

Timberland Sunglasses

Rectangular lenses with sturdy lightweight frames are comfortable to wear on and off the course. Smoked polarized lenses will provide maximum protection on even the sunniest days. Elevate your style and hopefully your game. **\$87.15** www.framesdirect.com

Tee it Up for the Troops

The Bridgestone e12 Contact is one of the most popular golf balls on the market, and now you have even more reason to grab a dozen (15-pack, to be exact). These special edition balls have Old Glory on them and benefit the military non-profit, Tee it Up for the Troops. Make a difference while hitting more fairways. **\$34.99** www.bridgestonegolf.com

Easy Carry

A light carry bag usually means you sacrifice a lot of good spacial features. The DRI LITE Feather from Big Max saves weight in materials but doesn't cheat you on storage. Six pockets, all water-repellent, make the DRI LITE Feather the perfect solution for walkers, riders, and push-cart supporters. **\$199.99** www.us.bigmaxgolf.com

Crushing Casual

We're fully on board with hoodies on the golf course, and the FS-Hoodie from TRUE Linkswear just became our top option for this season. It stretches, it repels water, it breathes, it's incredibly soft, and it features a skeleton swinging a golf club. How can you go wrong? Well, you can't. Available in five colors. **\$125** www.truelinkswear.com

Post-Round Steppin'

As G/FORE continues to gain golf shoe market share, now you can sport the brand off of the golf course. The G.112 Leather Street Shoe has all of the comfort and styling you're used to from G/FORE, but they can go anywhere. Premium leather for sleekness, Adaptive Traction System for the elements. **\$250** www.gfore.com

Good Things, Small Packages

Drawing inspiration from the late-90s, this TaylorMade Mini BRNR Driver is a throwback with a ton of current tech. The unmistakable copper tone and old school logo pair perfectly with an adjustable loft sleeve and patented Twist Face technology. Available in 11.5 or 13.5-degree heads. **\$449.99** www.taylormadegolf.com

Enlightened Drinking

Founded by Woody Harrelson and Amy Holmwood, Holistic Spirits Co. is all about creating innovative spirits that wake up your tastebuds. Origen Specialty Vodka is infused with a blend of artichoke leaf, elderberry, muscadine grape, and green tea leaf extract. On the course or at home, get ready for a great cocktail. **\$42.99** www.drinkholistic.com
