## A Near-Weightless Golf Bag

With our golf weather fleeting, does it get any better than taking advantage of a beautiful fall day and walking nine or 18 holes? The Ping Hoofer Craze-E Lite bag makes carrying your sticks so much easier by weighing only three pounds, but without sacrificing quality. High tensile strength fabric is beyond durable and the four-way top easily holds your club cargo.

## Too TRUE to Believe

Has it really been 11 years since our last review of TRUE shoes? They are really frontrunners when it comes to comfort and quality for a shoe to "Enjoy the walk," as TRUE urges. The OG Premium is constructed with a natural platform to increase balance and feel. High-quality leather and coordinating sock liner allow flexible comfort on and off the course, and they come with a two-year waterproof guarantee.

## A Wristful of Yardage

A high quality GPS watch doesn't need to cost you, well, the arm you wear it upon. The new V3 from Shot Scope is a lightweight and comfortable watch with a full-color display. Preloaded with 35,000 courses, the device gives front, middle, back, and hazard distances. It comes with 16 Smart GPS tracking tabs to record all of your shots and can also act as your everyday watch.

## A Glove Unlike Any Other

The thing about wearing a premium golf glove is that once you've experienced it, it's hard to go back to value. Wearing an Asher glove is like wearing a Bentley on your hand. Do you really want to go back to that '92 Sable? Made from a single piece of AAA Cabretta-Leather and precision cut to perfection. There's just no substitute.

## Rah-rah Grips

Golf Pride wants you to share your allegiance with every shot. The new MCC Teams grips are designed with the color schemes of just about every major pro and college team so you can rep your squad. Brushed cotton cord on the upper hand, premium rubber for the lower hand. The best of both worlds. Available in standard and midsize.

## Now Hear This

Why spend the money on a GPS and a Bluetooth speaker when you can have both in one unit? The new Wingman speaker from Bushnell features crystal-clear high quality audio, and the battery life is 10 hours. The speaker also includes a built-in USB port for charging other devices. With 36,000 courses, one push of a button and you'll have front, back, and center distances.
